Please accept my apologies for not attending the meeting this evening.

During March there was one crime reported to the Police, however, following an investigation this was filed without further action.

I would like to hold a “Have Your Say Surgery” within the Parish to coincide with another event. The purpose would be so that I can engage with the community and they can raise any concerns or issues that they may have. This could include lunch clubs, coffee mornings, or village events.

If you have any crimes you would like to report please telephone 101, or should you have any concerns which you would like to discuss please call me on 01326 555158, this is an answer machine service, please leave a message and I will get back to you. The Clerk would supply PCSO Julia Berry with the events page of the Messenger.

19.03.2013 PA12/12139 S52/S106 and discharge of condition apps

Applicant: Mr Moyle

Location: Foresters Lodge Trevery Wood Gweek Drive Mawgan Helston

Proposal: Discharge of Section 52 Agreement

### **9. Cornwall Local Plan for consultation until 22<sup>nd</sup> April**

See notes at end provided by Cllr Lindsay Hockley. It was agreed to support the document in principle as it would be better than the National Planning Framework, which was the only document to refer to at present, pointing out however that the wording should be stronger and more definite. Cllr Lindsay Hockley was thanked for taking the time and trouble to go through and highlight various policies.

### **10. To receive Cornwall Cllr Walter Sanger's report**

Cornwall Council had held its last full meeting before elections, which was mainly tying up loose ends. There was some business left over for the new Council, one being re-visiting members allowances, another whether they wanted a new Chief Executive Officer. Otherwise it was quiet during an election period. Children and Social Care had been in a bad way having received a bad OFSTED report. However, it had now come out of Government intervention. The waste-to-energy contract (incinerator) had now been re-signed. There would be enough energy generated for 22,000 homes. This would result in a £1.4-£1.6m saving over a 30 year period. The outsourcing contract had now been signed with BT. It would be providing IT and payroll. Peninsula Health was also going to be providing tele-health and tele-care. He hoped he would be back for the next meeting following the election. He had looked at County Bridge quarry that day and would be chasing it up.

### **11. Feast Week meeting April 23<sup>rd</sup>**

Some old carnival cups had been resurrected by the Feast Committee and they wondered whether the Parish Council wanted them to be re-used in some way for prizes on Feast Saturday. It was RESOLVED that they be re-used in some form.

### **12. Items for inclusion on next month's agenda**

There were no new items for inclusion on next month's agenda.

### **13. To approve the following outstanding accounts:**

It was RESOLVED that the following outstanding accounts be approved and cheques prepared:

a) Clerk's pay	£544.64	c) Churchyard trimming	£240.00
b) R-in-B notice board repair – J Cooper	£42.00	d) HMRC PAYE	£165.60

### **14. ANY OTHER BUSINESS – For information only**

### **15. Date of next meeting – 15<sup>th</sup> May 2013 – AGM 7pm**

There being no further business, the Chairman closed the meeting at 8.28pm.
