1. Apologies

Apologies for absence were received from Cllr Michael Laity.

2. Members to declare personal & prejudicial interests (incl details thereon) re any items on this agenda and any dispensations thereon previously granted or requested now

There were no declarations.

3. Public questions (**15 minutes in total – 2 minutes each - to speak on agenda item or raise a new subject**). **This is your only chance to speak unless invited to do so elsewhere by the Chairman.**

There had been another crash at Rosevear. A 4x4 pickup had damaged the bridge, smashed the protection recently installed outside Rosevear Bridge Cottage and then carried on up the hill damaging a hedge. It was felt that the 40mph speed limit was fine if it could be controlled. Cornwall Cllr Julian Rand noted the incident.

4. To receive Cornwall Cllr Julian Rand's report.

Cornwall Cllr Julian Rand had travelled 723 miles during September, averaging 34 hours/week. He had attended a WLAG meeting where they were just coming to the end of the European Leader project and starting the CLLD programme. However, this required an area to be in multiple deprivations and nowhere on Helston/Lizard was. He was now doing a similar amount and type of work in October. The chair of CORSERV had resigned. He was still concerned about the sale of Coastline houses and planning applications in rural

exception sites where it was meant to be 100% affordable but now seemed to default to 50/50. Art, drama and craft was being dropped by schools due to cuts in money. Roads were a concern; A3083 was too narrow for type of traffic on it and speed limits needed enforcing. He was still trying to get funding to protect Dolor car park, Coverack from Cornwall Council and the Environment Agency. A member of the public asked whether the size of lorries could be reduced to sort out road problems built they could not. There was generally no strategic thinking when it came to planning.

5. To confirm the minutes of the previous meeting

It was RESOLVED that the Chairman sign the minutes of the previous meeting as a true and correct record after the item in Any Other Business about the new vicar was amended to read that a new priest for the Meneage Benefice – Rev Mike North had been appointed and the Licensing Service would be held at Mawgan Church on 5th December.

6. Matters arising from the minutes – not covered elsewhere in this agenda

There were no matters arising.

7. To consider planning applications received from Cornwall Council

There were no planning applications received from Cornwall Council.

8. To receive planning decisions from Cornwall Council

27.09.2018 PA18/06709 APPROVED

Applicant: Mr and Mrs Laskey

Location: Parc Mears Field Mawgan Helston Cornwall

Proposal: Change of use from agricultural to equestrian and erection of a single storey stable block and associated ground works.

9. Provision of soldier silhouette for war memorial

Cllr Alan Harris displayed a WW1 life size Tommy silhouette that he had made to be installed on the bank beside the war memorial to commemorate the centenary of the end of WW1. It was a very good model and Cllr Alan Harris was thanked very much. Arrangements would be made to help install it so that it stood up safely.

10. Remembrance Sunday arrangements – need an RBL person to lay wreath

SUBJECT TO CONFIRMATION

Cllr Lindsay Hockley's neighbour might do it. Cllr Colin Chapman would take charge of the wreaths on the day as the Clerk would be attending St Keverne this year due to having attended Mawgan for the past 2 years in a row. The Clerk would also furnish Cllr Colin Chapman with tea, coffee and biscuits for the refreshments, which would be served by Cllr Mrs Pearl Merton and Michael Davidson.

11. To discuss Feast Week – have members asked any people to help
Some members had asked people and they were prepared to help on the day but did not want to commit to a Committee. Someone was interested in and would organise a dog show. Although no dogs were allowed on the Recreation Field, traditionally on Feast Saturday a blind eye was turned to dogs brought onto the field by people attending the event. It was questioned whether this could be relaxed just for one day. This would need discussion at a future meeting. It was felt that no-one would be interested in attending a Feast meeting this side of Christmas so one would be called for the night of the January 2019 Parish Council meeting.
12. Glebe Close play area, update from Coastline and provision of picnic bench
Coastline was still not responding and the Clerk had circulated information on the recycled plastic furniture that had already been used in the Recreation Field. It was felt a round table with wheelchair access should be purchased. The Chairman was attending a show where such items would be on display so would get some more prices. Bob Sanders would be asked to put wood into the bench ends that the Chairman had in his shed and then site it in Glebe Close play area.
13. Items for inclusion on next month's agenda
Provision of Christmas tree.
14. To receive the financial statement
£41,229.63 was in the bank before the cheques below were taken into account.
15. To approve the following outstanding accounts:
It was RESOLVED the following accounts be approved for payment and cheques prepared.

a) Clerk's pay Oct (net)	£514.68	d) Trim churchyards x 2 (Oct)	£492.00
b) Clerk's expenses (Oct)	£42.73	e) Trim Recreation Ground x 2 (Oct)	£228.00

16. ANY OTHER BUSINESS – For information only.

Cllr Lindsay Hockley reported on the Parish Council conference that she had attended at Ludgvan on 27th September. The first item was about publicity, the media and how we see ourselves. She thought a newsletter might be a good idea to tell parishioners what we do. For the new play equipment at Glebe Close an event could be made out of it with a tea party to publicise what had been provided for them. There was a Police slot that dealt mainly with cyber crime and bullying. Cllr Lindsay Hockley had approached the speaker about the recent incident in Mawgan churchyard and was waiting for a reply. The Clerk would try and get hold of an email address for the officer. Cornwall Council portfolio holder for Neighbourhoods – Cornwall Cllr Edwina Hannaford – spoke about neighbourhood development plans and how parishes should produce one but St Erth was very upset because they had spent years developing one only for it to get rejected by the inspector as it did not fit into the Cornwall Local Plan, which meant the Cornwall Local Plan then regulates what a parish can put into its own plan, so what is the point of producing one? Community Infrastructure Levy (CIL) was being introduced for planning applications for building work over 100m² from 1st January 2019. The horrendous problem of plastic pollution was another item on the conference agenda. Single use plastic was the worst of all with even children's plastic spades being left behind on beaches. Members noted the report.

Leaves were 3ft high outside the Old School House in Lower Lane and vegetation was keeping water out of the drains as well. Cormac would be asked to look into the matter.

17. Date of next meeting – 21st November 2018

There being no further business, the Chairman closed the meeting at 8.50pm.
