Councillor Colin Chapman (Chairman)
 “ Michael Laity (Vice-chairman)
 “ Vivian Benney
 “ Miss Lindsay Hockley
 “ Julian Rand (Cornwall Council)

1. Apologies

Apologies for absence were received from Cllr Mrs P Merton.

2. Members to declare interest on any item on this agenda

Cllr M Laity – item 7 – takes part in the activity. It was agreed he could remain in the meeting during discussion thereon but not speak or vote on the item.

3. Minutes – to confirm the minutes of the 15th July 2020 meeting held via Zoom

It was RESOLVED that the Chairman signs (when physically able to do so) the minutes of the meeting of 15th July 2020 as a true and correct record.

4. To consider planning applications received from Cornwall Council

- a) PA20/07568 Non material amendment in relation to decision notice PA18/01809, Trevassack Quarry, Goonhilly Downs, HRCST

This was a slight re-orientation of the lodges to get better light and more privacy for the disabled unit. It was RESOLVED to support the application.

- b) PA20/06235 Proposed refurbishment and re-instatement of Chy Billy Cottage into a dwelling, Chy Billy Cottage, Treloar Warren Estate, Mawgan, Sir Ferrers Vyvyan

This would be the re-use of a building; it was a long way from anywhere and it was RESOLVED to support the application.

- c) PA20/06858 Application for a certificate of lawful development for the continued use of land as residential, including the siting of a mobile home for in excess of ten years, Countybridge Fishery, Goonhilly Downs, Mr Jeremy Owen

Mawgan Parish Council would state that it was unable to confirm the use and existence of said mobile home. It would also question the final planning decision in that the reason on which it was parked there was it was that it was too wet whereas the site it was on now was worse. The application for its use was refused in 2015 but it was apparently still in use. From a local knowledge, members felt he had not lived there all that time. Cornwall Cllr Julian Rand advised against any support as there were various things Council appeared not to be happy about and asked them to be listed so that he could speak to head of planning enforcement Alan Mason and get them to speak to the planning department. The Chairman would email the problems to Cornwall Cllr Julian Rand.

- d) PA20/07068, Erection of an extension, 12 Langweath Estate, Mawgan, Mrs C Allen

It was RESOLVED to support the application.

5. To receive planning decisions from Cornwall Council

03.09.2020 PA20/05656 APPROVED

Applicant: Mr and Mrs Williams

Location: Little Kaledna Skyburriowe Lane Garras TR12 6LP

Proposal: Construction of replacement dwelling and associated works with variation of condition 2 in respect of PA12/02627

6. To receive Cornwall Cllr Julian Rand's report

Things had been full on for Cornwall Cllr Julian Rand. The loss of Flybe had had a knock on effect on Newquay airport, then on CORSERV, then onto Cornwall Council itself. At present the airport was making a £400k/month loss and Cornwall Council was trying to obtain Department of Transport funding. £10.2m put aside for the upgrade of facilities at the airport to host a horizontal take off space port would be used to support the airport – decided by Cornwall Council today. Newquay Airport had a new CEO Peter Downes, formerly from Bristol and City airports. The £2m/yr subsidy that Cornwall Council paid towards it was coming down; it was £1m on 31st March 2020 and would have been zero by 31st March 2021.

Elsewhere, Cornwall Council was acquiring new responsibilities by taking on failing care homes.

Also, a new Environmental Land Management Scheme (ELMS) to replace European Subsidies received by landowners under the current Stewardship schemes was being introduced. with the Lizard being a key area example; discussions at a local level were taking place at Rosuick to create 5 year plans for landowners to enter into, which would make them more relevant to the local land type, rather than having a nationwide set plan.

20.23 Cornwall Cllr Julian Rand left the meeting.

7. To discuss noise of clay pigeon shooting at Tregoose

Residents in the Garras area complained of the noise of shooting going on all day and evening at the weekends, whereas it only used to be on a Saturday morning. Cllr Vivian Benney and the Chairman had also received complaints. It went on for 5 Saturdays in a row during the 6 week peak summer period. Council was advised that there were 80 shots/participant so if there were 20 participants then that would be 1600 shots. It was not necessarily Duchy Clays - who were getting the blame, there were also other people doing it. Duchy Clays operated 10am to 2pm every other Saturday on a 28 day rule – 28 days in any one year. They also did not need planning permission. It was agreed to contact Environmental Health as they could insist on the group incorporating sound mitigation.

8. To consider whether there will be a Remembrance Service as invitations go out in September

It was felt best to encourage every organisation to lay a wreath, ask Cllr Anthony Hoskin if he would play the Last Post & Reveille and the Chairman would lay a wreath at 11am, with the Vicar also saying prayers as he was already booked to be in attendance. Public should be advised that it was happening but due to COVID 19 restrictions as the matter stood a service would not be able to be held but if people wished to attend at 11am then it would be under socially distanced conditions using the Recreation Field behind as well if necessary. It was agreed to wait until October before issuing any invitations because the situation was changing all the time. All Cllrs would be emailed about it in October as there would not be a Zoom meeting that month.
