£57k had been allocated by Cornwall Council between 8 Cllrs in Helston & the Lizard CNP area for highways works. The Clerk asked whether this was instead of the schemes where Council had obtained double yellow lines under the old Cornwall Council or alongside it. Cllr Guy Foreman felt it was instead of but was unsure at present. He suggested parishes could use some of it to jointly have use of a Vehicle Activated Sign (speed sign). Cornwall Council would own the signs, do the moving/repairing. A sign would stay in one place for 6 weeks and then move on to another parish. They collected speed information but not number plate recognition. Another traffic item was that parking would free throughout all Cornwall Council car parks and park & rides
