6. To receive Cornwall Cllr Julian Rand's report

Families Together was getting more funding. He was worried whether Cormac would be affected by the new tendering process coming into effect from 1<sup>st</sup> January. It was pushing commercially for contracts outside of the area where historically it got better results. Cornwall Council was looking at local business procurement, i.e., whether jobs could be broken down into smaller bits that could be done locally. It was noted.

07.52 Cornwall Cllr Julian Rand left the meeting to attend a Cury meeting.

7. To consider the circulated budget and set precept requirements for 2021/22

The budget, which had previously been circulated, was discussed. It showed high balances and apart from a contribution towards outside toilets for the Recreation Hall there was no major expenditure planned. It was therefore RESOLVED to precept for the same amount as the previous year i.e., £25,600.

8. To approve the following outstanding accounts:

a) Clerk's Pay (net) Dec	£514.68	f) Monthly inspection Rec play area	£30.00

9. Any Other Business

Complaints were received from a member re the Rose-in-the-Bush notice board, which the Clerk agreed with. The hardboard backing was now soaked in rain due to one lock not working, which let in rain and caused the backing to now fall off. It was agreed to ask Council's groundsman to take it away, dry it out, change the locks and make it waterproof – if he thought it was worth it.

A member had visited a grave in the cemetery, which still had a willow tree growing out of it, despite Council having it cut down a few times already. It was agreed to get it cut down and have the stump killed this time.

10. Date of next meeting

The next meetings would be on February 16<sup>th</sup> and 21<sup>st</sup> April 2021.

There being no further business, the Chairman closed the meeting at 8.15pm.
